

Comfort Care Options

At Media Endodontics, your comfort is our priority. We offer multiple ways to help you relax and feel at ease during treatment:

1. ■ **VITURE PRO Cinema Glasses** – Enjoy a **135” wearable screen** to stream your favorite shows or movies while receiving care.
2. ■ **Acupuncture for Calming** – Gentle, targeted acupuncture techniques to naturally ease anxiety and tension.
3. ■ **Nitrous Oxide Analgesia** – Safe, mild sedation to help you unwind and feel comfortable throughout your visit.
4. ■ **Oral Sedation + Nitrous Combination** – For a deeper level of relaxation when extra calm is desired.
